Dear Candlelighters NL Supporter:

Thank you for your interest in supporting Candlelighters NL this Christmas season! The Candlelighters Association of Newfoundland and Labrador provides support to families directly affected by childhood cancer. The support comes in the form of information, financial support, emotional support, and a firsthand understanding of the process. In keeping with that mandate, Candlelighters provides this support for our families as the need is identified – at diagnosis, before surgery, during hospitalization, upon relapse, in times of crisis, as death approaches, during bereavement; as well as when a child finishes their program of treatment and continues to progress with a normal life. Our parents care in the unique way only parents of other child cancer patients can.

As you can imagine, COVID-19 has affected our fundraising plans over the past few years, so we were thrilled to learn of this year's **Christmas Classic Fundraiser**! This wonderful group of people have fundraised for Candlelighters NL in the past, and we are excited to learn of their hopes to grow this event and to raise even more much needed funds for supporting our families right across Newfoundland and Labrador!

Thank you for your time, consideration and support of Candlelighters NL.

Your support matters...Because kids can't fight cancer alone!

Sincerely,

Noah Zambilowicz
